**FEW REMARKS ON TEXT AND DOCUMENTARY FORMS  
OF LEGAL ACTIONS**

The article focuses on the issue of the text form of legal actions in German law and in the Draft Common Frame of Reference, as well as the documentary form of legal actions in Polish law. The Author has discussed and analyzed the reasons of introducing these institutions, formal requirements necessary to satisfy the text and documentary forms and the legal consequences of the failure to do so as well as the scope of application of both forms.
