**EVALUATION OF RECENT STATUTORY AMENDMENTS
CONCERNING THE DISCIPLINARY LIABILITY
OF ATTORNEYS, LEGAL ADVISERS AND NOTARIES**

In 2014, two acts introducing significant changes in the field of disciplinary liability of attorneys, legal advisers and notaries entered into force. These changes, in principle, should be assessed positively. However, many specific solutions raise some reservations about their correctness. Most concerns refer to the institution of dean's reminders in relation to attorneys and warnings in case of legal advisers.
